It’s been hard these last few years. Spending so much time alone. The holidays can really get you down.

But I know this year is going to be different.

Hoping Atlas doesn’t crash!

Athena, any word from Tracer?

Nothing Winston.

Well... She’s probably just running late....

...But I wonder what’s keeping her...

Come on, Lena! Get a move on! You’re not going to make it in time!

Clang clang clang
HELP! THIEF!

I'LL HAVE TO LEAVE THIS ONE TO THE BOBBIES.

DAMNIT.

YOU'RE WELCOME!
HAPPY HOLIDAYS!

HAVE TO GO--BIG RUSH!

JUST IN TIME!
Fwoosh

Yes! Score one for Tracer!

Miss, the store is closing. If you don't have any purchases...

*Sigh*
Oi, just no luck today.

Not even enough juice to get home. Might have overdone it.

I'll have to take the tube... suppose I'll be late.

Mum wanted me to give this to you. Happy holidays.
YOU WOULDN'T BELIEVE HOW CRAZY IT IS OUT THERE!

SO... I'M REALLY SORRY, EMILY... IT'S JUST... ONE THING, THEN ANOTHER...

DON'T WORRY ABOUT IT. YOU ALWAYS TRY TO DO TOO MUCH.

IS THIS FOR ME?

OH, THAT. NO. IT'S...
IT'S PERFECT!

WELL, I GUESS THERE'S NO POINT IN WAITING...

HERE GOES NOTHING!

HOLIDAYS ARE SUPPOSED TO BE A TIME FOR FRIENDS AND FAMILY... SIGH... BUT I'M SHORT ON BOTH NOW.

STILL... I CAN'T HELP BUT WONDER HOW EVERYONE'S DOING...
I think it's just you and me, Athena.

Understood, engaging party mode.

Ha ha.

There's someone at the door, Winston.

Sorry we're late. Big guy! Shopping was murder!

I can finally spend the holidays with my family again.

And I have a good feeling about next year...
