A BETTER WORLD
I'm sorry, Mr. Korpai, but I'm afraid we're going with the Calado proposal. Your excellency, you must be joking. Our complex is superior by every conceivable metric.

The Vishkar Corporation's hard-light technology is making the world a better place.

Our architects are reshaping cities according to their needs in the blink of an eye. And Satya! Vaswani! Is our finest, most talented -- but your plan extends farther into the favelas. We have enough trouble with them as it is.

And with all respect to Ms. Vaswani, Mr. Calado has a long history with the city. Better the devil you know, as it were?

The Calado proposal is hideous, unwieldy. We could provide improved housing for your slums --

She's making a mis-

This picture is crooked. Sloppy. How can she tolerate that?

...a poor choice. Vishkar is making the world a better place --

Satya! I suppose we're done here. Madam mayor, I hope you'll reconsider.

Satya, let's not complicate things.
I SHOULD WALK BACK TO THE HOTEL. CLEAR MY HEAD.

THIS PLACE REMINDS ME OF MY CHILDHOOD IN HYDERABAD... HOME.

IT COULD BE BEAUTIFUL. CLEAN. FILLED WITH ORDER AND LIGHT.

WHY DON'T THEY SEE THAT?

THE FAVELA BELONGS TO THE PEOPLE

WHY ARE THEY PROTESTING?

WHY WOULD THEY WANT TO LIVE IN THOSE DISGUSTING SLUMS?

TOO MUCH LIKE HOME. TOO MUCH.

ALL COLORS AND CHAOS AND STENCH.

PLEASE -- NO -- I...

LADY?
OH, LOOK AT THIS ANGELIC FACE. AN ISLAND OF PERFECTION IN THIS SEA OF MISERY.

ARE YOU OKAY? ARE YOU LOST?

I'M FINE. BUT, YES, I AM... OUT OF MY ELEMENT.

I CAN HELP.

MINUTES LATER...

COME WITH ME...

GOODBYE, AND THANK YOU.

BYE!

SO MUCH LIKE... ME AT THAT AGE.

WE'RE GOING TO GET THAT CONTRACT. MAKE HER LIFE -- ALL THEIR LIVES -- BETTER...
...No matter what it takes.

Calado's got a lot of security you'll need to break out the tools. We want this contract, Satya. We deserve it. Find something on him.

Sanjay has always said I was... different. Everyone was asking where I fit on the spectrum.

It used to bother me, because I knew it was true.

It doesn't bother me anymore.

Well, Calado is a slumlord... but that's not illegal.

He owns substandard buildings citywide, but... there's nothing out of the ordinary.

Because I can do things nobody else can do.

Hey!
CARELESS. THAT'S NOT LIKE ME.

UNH...

ENERGY DRAIN? WHY NOT TERMINATE THEM?

YOU KNOW I DON'T KILL IF I DON'T HAVE TO. I'LL BE GONE BEFORE THEY WAKE UP.

GAA...NNHH... NOOOO... UNH...
SANJAY? I'M AFRAID THERE'S NOT ENOUGH ON CALADO.

Perhaps we can get to the mayor instead. Find something on her.

That is disappointing. But so be it.

BAMF

KA

THOOM

WHAT...?

There were men inside...

whatever do you mean?

My gods.

Calado won't stand in the way of the good we will do in this city.

Not Calado -- the Pavela!
ROSA! MEU BEBÊ!

MY BABY!

THERE...

OH, NO. HER FACE. IT'S... RUINED.

AAYY! NEW DOCE ANJO..."

I HAVE YOU -- YOU'RE SAFE NOW. I WON'T LET ANYTHING HAPPEN TO YOU.

MAYBE... MAYBE WE CAN FIX THIS. ALL OF IT...

"MY SWEET ANGEL..."
AND SO, AT LONG LAST, DESPITE OCCASIONAL SETBACKS...

... WE ARE PROUD TO OPEN OUR NEW CITY CENTER!

A SHAME ABOUT CALADO’S HOLDINGS... BUT THIS WAS A MOST SATISFACTORY OUTCOME, NO? THE MAYOR HAD NO CHOICE BUT TO HAVE US STEP IN.

WE WERE GOING TO GIVE THEM HOUSING.

AND WILL THEIR LIVES BE THE BETTER FOR IT?

WE WILL.

THE FIRE IN THE FAVELA... WAS THAT PART OF THE PLAN?

HOW CAN YOU THINK SUCH A THING?

AND YET... THAT IS THE PRICE OF REBIRTH AND GROWTH. ISN’T IT, SATYA?

WHAT FITS THEIR STATION... AND SERVES THE GREATER ORDER. THAT IS HOW VISHKAR WORKS.

YES... OF COURSE.

HE’S RIGHT. WE’RE MAKING THE WORLD A BETTER PLACE.

WE’RE MAKING THE WORLD A BETTER PLACE.
